CANINE COUNTRY CLUB MEMBERSHIP

Enrollment requires a credit/debit card to be kept on file and charged monthly on the first of the month for the upcoming month. There is no cancellation fee or minimum of months to sign up for, but you must cancel by sending an email to texasdoghouseinfo@gmail.com no later than the last day of the current month to avoid being charged for the next month.

Dogs must be scheduled for regular days of attendance at a minimum of two days per week to join the membership program.

If a regularly scheduled daycare day must be missed (including inclement weather closings), you may make up the day before the end of the month, dependent upon available space. We cannot guarantee we will be able to accommodate them on a different day.

Scheduled closings due to holidays will not be considered toward total usable Membership days for the month. These days are listed on our website at TexasDoghouse.com so that you can plan ahead.

Unused days are non-refundable and non-transferable from month to month or to a different dog under separate ownership.

Additional days outside of the total usable Membership days for the month may be purchased at a discounted rate of \$26 per day. Payment for extra days can be on the day it is used or in advance with your monthly payment.

There is no limit to the number of discounted nail trims, baths, or blueberry facials/teeth brushings you may receive, however payment for those services is due on the day they are provided. The choice of a free blueberry facial or teeth brushing is only valid with the purchase of a bath.
